

LIGHTING COLLECTIVE

LUXURY LIGHTING | BYRON BAY

EX-DISPLAY DISCLAIMER

Thank-you for shopping with Lighting Collective.

Please note that this item is an ex-display item. These fittings have been previously installed or placed in our showroom and have been taken down due to visual merchandising turnover.

Each item either comes in its original packaging or has been dismantled and re packaged with care however will not always come with original packaging or instructions. Items may have slight wear and tear.

Please make sure to check for individual details such as suspension lengths and canopy details as all sale purchases are final and will not be accepted as a return as per our standard returns and refund policy unless proven faulty mechanically. All items do not come with warranty however, this is reflected in the sale price.

All Sale item purchases are final.

Items are not accepted as a return as per our standard returns and refund policy unless proven faulty mechanically.

Mechanically faulty goods must be notified to our team within **90 days**. Items that are returned and confirmed as faulty by our electrician will be refunded in the manner paid for. Please note, any electrical fitting must be installed by a qualified electrician and all fault requests will require evidence of such an electrician.

Lighting Collective is able to offer store credit/refund in the case of a mechanical fault.
